

SOCAL SINGER STUDIO POLICIES

1) Payments:

- All payments should be made through Fons.com. Cash is also accepted.
- Weekly Lesson 4-pack: Payments will be billed after every 4th lesson. Per-lesson billing is also available.
- Payments arranged through Take Lessons or with charter school funds will adhere to their policies.

2) Cancellation Policy:

- Notify Nicole **well in advance** (at least 24 hours) of changes in your schedule. If a lesson is missed without 24 hours notice, there will be no make-up lesson. The full amount of the lesson will still be charged, as that spot is reserved for you! Make-up lessons will be given if proper notice is given. If a make-up lesson is missed, the lesson is forfeited. The only exception to this is an unforeseen family emergency, or unexpected illness of the STUDENT. Please don't come if the student is sick (contagious)! Excessive cancellations (at Nicole's discretion) may result in a loss of your reserved time slot.

3) Please be prompt. Bring your music (if applicable), water, and voice recorder (you may use your phone) to every lesson. Please wait quietly outside the studio until the student before you is finished. If you are a minor, please do not leave the building until your parent arrives for pickup.

4) Practice and enjoy! 😊

Please enter my information into your phone, so you can always contact me! Thanks!
